## **Introducing Pennsylvania Geothermal Heat Pump Association, Inc**

### **PA-Geo is Here!**

The Pennsylvania Geothermal Heat Pump Association, Inc. (PA-Geo) is a member funded trade association. Our goal is to attract members of the geothermal & HVAC community to support the expanded use of clean, renewable, geothermal heating and cooling systems In PA. Membership in this trade association will enable you to be on the cutting edge of one of the most promising solutions to the energy & climate issues that are plaguing PA today.

We've adopted the following membership structure to both encourage membership and provide adequate funding for our efforts. Please see the attached information for details on member benefits and pricing.

To apply for PA-Geo Membership, please fill out the attached membership application.

**To Apply Online:** Visit us at [www.pa-geo.org/membership](http://www.pa-geo.org/membership).

Checks should be mailed to the below address. Paper applications can be mailed to the below address, or emailed to [info@pa-geo.org](mailto:info@pa-geo.org)

PA Geo  
Attn: Membership Committee  
917 Old Fern Hill Road, STE 300  
West Chester, PA 19380

We invite you to join us in achieving our goal to expand the use of geothermal heat pump technology in PA and increase your business! If you have questions about membership in PA-Geo please reach out [info@pa-geo.org](mailto:info@pa-geo.org).

Thank you!

PA-Geo Membership Committee

## **Pa-Geo Membership Benefits & Pricing**

Officers and elected directors are the voting members that set policy. However, your membership at any level is crucial to the success of the Association. There are two types of basic membership; Manufacturer and Other. Memberships are for a calendar year with any new membership paid for after September 30th counting for the following year. **For an additional one-time fee Founding Members are listed on the PA-Geo Website as such.**

### **MANUFACTURER MEMBERSHIPS (Annual Fee)**

*Heat pump manufacturers must participate in the PA-GEO Heat Pump Fund*
